LEER
ENGINEERED TO ENDURE

REPUTATIONS ARE **EARNED**, NOT GIVEN

For over 50 years, LEER® has never rested. We constantly push every process, every component, latch, and knob to exceed expectations, last longer, and be stronger. We fully believe beauty, brawn, and brains are never optional but mandatory. Protecting your valuable cargo is paramount. This is our commitment to you: a relentless passion for unsurpassed quality that makes LEER not only a leader, but a legend.

LEER CAP HEIGHTS

Capacity should never hold you back. LEER offers three cap heights so you never fall short on any challenge. And with our balanced design approach of cargo capacity, fuel-efficiency, low road noise, and stunning aesthetics, LEER truck caps always deliver on both form and function.

High-Rise

up to 40% more storage
capacity on LEER 122

Mid-Rise

up to 15% more storage
capacity on LEER 180 Series

Cab-High

Consistent height with your
truck cab

WINDOWS TO THE WORLD

Windows matter. But not one window is right for everyone, so LEER gives you many options for both cab and side windows to get the look, ventilation, and utility you're after. From solid windows to tip-outs, 50/50 sliding to removable, it's your truck cap, and we aim to make it not just meet but exceed your expectations.

FRONT WINDOWS

SIDE WINDOWS

Side Windows w/Twist-Out Vents and Screens

One-Piece Tip-Out Side Windows w/Screen (back part only)

Side Bay Windows

Radius Side Windows

Radius Side Window Sliders

50/50 Sliding Windows w/Screens

* May use a tilt-down front window vs. a removable window in some regions. Consult your authorized LEER dealer in your market.
